

# MILLING MEN FORM GIGANTIC COMBINE

Denver Capitalist at Head of  
Million-Dollar Corporation  
to Control Utah Trade.

PURCHASE SALT LAKE  
SITE FOR \$50,000

New Company Buys a Large  
Tract for Mills and  
Elevators.

Plans for a million-dollar merger of  
a large part of the milling and grain  
elevator industry of Utah and Idaho  
were completed at a meeting held at the  
Cullen hotel Saturday night, and this  
new concern on Saturday acquired nearly  
one-half of a city block with track-  
age along the Denver & Rio Grande,  
for which it paid \$50,000.

J. K. Mullins, president of the Colorado  
Mills and Elevator company of  
Denver, who arrived in Salt Lake last  
Wednesday with his secretary and an  
attorney, is the chief promoter of the  
combine of Utah millers. He is inter-  
ested with him are A. H. Vogeler, a  
local seedman and grain dealer; R. A.  
Muller, president of the Intermountain  
Milling company, and W. O. Kay of the  
Utah Grain and Elevator company. The  
merger will take over the property of  
the Intermountain Milling company in  
Salt Lake and the Utah Grain and Elevator  
company and will also include a  
string of grain elevators in various parts  
of Utah and Idaho which are controlled  
by these companies. The Vogeler prop-  
erty is also included in the deal and it  
is the intention of the organizers of  
the merger company to form a consoli-  
dated grain elevator and milling industry  
of the state.

## Acquire Valuable Property.

The property bought by the new concern  
Saturday is a Fifth South street  
extending from Third West to Fourth  
West street and, with the exception of  
a small piece at the corner of Third  
West and Fifth South streets it com-  
prises a strip from Third West to Fourth  
West streets and deep. Six separate  
pieces of property are included in the  
real estate deal, which was made by  
A. H. Vogeler through the Capital  
Real Estate and Investment company.  
Lot 10410 rods at the corner of Fourth  
West and Fifth South streets was pur-  
chased from Anna M. Love. The adjoining  
lot on the north, 5310 rods, was bought  
from H. H. Evans and the next lot,  
which is also 5310 rods, was bought  
from W. B. Martin. The next lot, also  
5310 rods, was bought from John A. Young,  
Jr., and the next lot was bought by Mr.  
Vogeler several weeks ago from Mrs.  
Jane Anderson. Still another lot, with  
a frontage of five rods on Third West  
street and a depth of ten rods, was  
bought from the Crane company.

## Big Mill and Elevator.

A spur track from the Denver & Rio  
Grande will be extended onto the prop-  
erty through the lot formerly owned by  
the Crane company and a mammoth  
mill and elevator plant will eventually  
be erected on the property. At present  
the improvements consist of eight  
houses which will not be razed until the  
milling and elevator company needs the  
ground on which they stand.

J. K. Mullins of Denver, who figures  
prominently in the Utah milling mer-  
ger, is rated as a millionaire. His for-  
tune was made in the grain and flour  
business in Colorado, where he started  
peddling flour in a small way about  
forty years ago.

# ALEXANDER F. EDWARD, PIONEER OF UTAH, DEAD

After an illness extending over a pe-  
riod of fifteen years, Alexander F. Ed-  
ward, a pioneer of this state and also  
of Idaho, died of cancer at his home,  
Center street, Saturday morning. He was  
69 years old.

Alexander F. Edward was born in  
Aberdeen, Scotland, June 1, 1841, the  
son of John and Elizabeth Fryer Edward.  
He came to Utah when a young man,  
and not long after he started the state  
and returned east over the plains as  
an orderly to Captain McNab of John-  
ston's army. He returned to Utah in  
1861 and in 1862 he moved to Paris, Kan.,  
being one of the pioneers of that vicinity.

In 1872 Mr. Edward moved back to  
Salt Lake City. He is survived by a  
family of fourteen children, all of whom  
are residents of this city. They are Alex  
T. John T. Mary Ann, William T., Eliza-  
beth R., Margaret E., Joseph A., Alice,

# MEMBERS OF THE FORCE PROVING GOOD SHOTS

Competitive teams, made up from the  
members of the police force, who have  
been engaged in revolver practice, were  
organized and began practice Saturday  
morning. The practice of the  
competitive teams will continue for two  
weeks, after which one or two teams  
will be selected to compete with teams  
from the Ogden police force, guards at  
the state prison, crack shots from the  
county sheriff's office and crack shots  
from the Utah National Guard. Due to  
the fact that the members of the police  
department have been making remark-  
able scores during their practice, Chief  
Barlow feels sure of the showing which  
will be made by his men.

# QUARREL IN SALOON ENDS IN STABBING

Curtis Allen Found on Street  
With Knife Wound in  
Side.

W. J. RYAN UNDER ARREST  
PENDING POLICE INQUIRY

Prisoner Denies Having Had  
Weapon or Inflicting Injury  
Upon Anyone.

Bleeding from a six-inch stab wound in  
his left side, Curtis Allen, nineteen years  
of age, the son of T. G. Allen, general  
contracting electrician, was picked up in  
front of the Council bar, No. 3 East First  
South street, Saturday night at 10:30  
o'clock, and taken to the emergency hospi-  
tal, where his injury was attended by  
Dr. E. E. Steele. He was later removed  
to his home, W. J. Ryan, said to be his  
assailant, was arrested a few minutes  
later and taken to the police station,  
where he is being held pending an in-  
vestigation.

According to the seven witnesses who  
went to the police station and left their  
names, Allen was in Lohlin's saloon at  
129 South Main street when he was ac-  
cused by Ryan, who cursed him and  
then hit him with a bottle. Allen's un-  
derstanding names, Allen left the saloon and  
was followed to Main street by Ryan, who  
again made insulting remarks. Allen  
kicked at Ryan, who then drew a knife  
and stabbed him in the side across the stom-  
ach. Both were on the curbstone at the  
edge of the sidewalk when the cutting  
occurred, and all of the witnesses heard  
Allen say: "He is a knife."

## Prisoner Denies Guilt.

Allen arose after being cut and staggered  
as far as the Council bar, where he  
fell to the sidewalk, while the witnesses  
followed Ryan until he was arrested and  
taken to the station. When Ryan was  
searched at police headquarters no knife  
was found in his pockets, and during the  
search he protested that he had no knife  
and that he had not stabbed any one.

The witnesses, at the request of Pa-  
trolman George Phillips, went to the  
saloon where the incident occurred. Allen  
was at the edge of the sidewalk, where  
a knife was found. The knife had been  
lying in the water of the gutter and bore  
traces of blood. It was turned over to  
Patrolman Reynolds as soon as found  
and taken to the police station for evi-  
dence.

## Witnesses of 235 D Street.

Witnesses of 235 D street, Albert  
Simmonds of 428 Fourth avenue, L. F.  
Hodgins of 10 Woodford apartments, H.  
Poulton of 178 1/2 street, George Robinson,  
residing at 235 D street, George Robinson,  
residing between D and E streets on Seventh  
South street, and Jack and Left Mon-  
ahan, gave their names to the police as  
witnesses.

## ALLEGED NEGLECT BY THE COUNTY PHYSICIAN

W. S. Boyd reported to the police Sat-  
urday afternoon that Thomas Burke, re-  
siding at 65 North First West street,  
clerk where he is, had been suffering from  
rheumatism and that the man had been  
unable to secure medical treatment  
from the county physician.

Then, Boyd said, the case was referred  
back to the county physician, where it  
was again held up for some sort of in-  
vestigation. Boyd said that he was tired  
trying to get assistance from the county  
physician, and he decided to report the  
case to the police.

## SUBSCRIBERS COMPLAIN OF INCREASED RATES

Numerous complaints are being made  
by subscribers to the Independent Tele-  
phone company service of the recent in-  
crease in rates by that company. One  
subscriber, who has been a subscriber for  
years, complains that the company has charged \$2  
a month for individual telephones, but  
recently the price was increased to \$3.50  
a month. Subscribers who are com-  
plaining, say that the company promised  
much cheaper rates than its competitor  
when it secured the franchise, and that  
it is unfair to patrons to thus increase  
the rates.

Independent telephone officials say that  
the cost of the maintenance and operation  
has compelled them to make the in-  
crease, and they point out that they are  
still 50 cents a month below the price  
charged by the Bell people.

Louis Lowenstein having sold his inter-  
est in the saloon No. 11 West Second  
South, is not responsible for any debts  
of the late company.

# SEEKS HIS RUNAWAY WIFE AND IS READY TO FORGIVE

W. C. Housley, who said he was a resi-  
dent of Pomeroy, Wash., reported to the  
police Saturday morning that his wife  
had run away from him. He said that  
she had been with him for some time  
and had had some money, but that she  
had run away from him. Housley im-  
plored the police to make an effort to  
locate the woman, who he said was  
under a spell exerted by the other man.

## He told the police that the runaways

were supposed to be working in some  
of the restaurants or hotels in this city.  
He also told the police that he was sure  
that his wife still loved him and that he  
was ready to forgive her if she could be  
found. Detective Schulze was detailed on the case.

# SUPERINTENDENT NELSON ON ROAD TO RECOVERY

A. C. Nelson, state superintendent of  
schools, underwent an operation Saturday  
in the Presbyterian General hospital in  
Chicago for an affection of the neck.  
The operation evidently was successful,  
as is indicated by a telegram, received  
by The Tribune at 1 o'clock this (Sun-  
day) morning.

"Advisers from the Presbyterian hospi-  
tal last tonight are that A. C. Nelson,  
superintendent of Utah state schools,  
who underwent this operation yesterday,  
is resting comfortably."

"Mr. Nelson is resting easy," said  
the nurse in charge. "He is very com-  
fortable and his recovery will be rapid."

charges. Two were arrested and charged  
with highway robbery, three with petty  
larceny, two with assault with a deadly  
weapon and six with violating the speed  
ordinance.

# REDUCE SENTENCES OF THREE CONVICTS

State Board of Pardons Grants  
Only Few Appeals for  
Clemency.

DONALDSON WITHDRAWS  
REQUEST FOR COMMUTATION

Many Applications Denied, and  
Others Continued to Fu-  
ture Meetings.

The members of the state board of  
pardons were evidently in no merciful  
mood at the regular meeting of that  
body, held at the state prison Satur-  
day. Of nineteen applications for of-  
ficial clemency, the board granted only  
three prisoners commutation of sen-  
tence. Several other applications were  
continued. No pardons were granted.

S. E. Daley, convicted of burglary in  
the third district court and sentenced  
November 11, 1907, to five years in the  
state's prison, received a commutation  
of sentence, to take place September  
1, 1910.

George Parry, convicted of a statu-  
tory offense in the third district court  
of Salt Lake county and sentenced De-  
cember 7, 1901, to ten years in the  
state's prison, received a commutation  
of sentence, to take effect September 1,  
1910.

The sentence of Nick Pressing, con-  
victed of forgery in the third district  
court of Salt Lake county, was com-  
muted, to take effect June 1, 1910. He  
was sentenced May 20, 1908, to three  
years in the state's prison.

## Applications and Disposition.

The other applications acted upon by  
the board were:

For pardon—J. E. Day, serving one  
year for burglary in the second dis-  
trict, denied; Charles Brown, six  
months in county jail for petit larceny,  
denied; Alexander Beckstead, fine of  
\$50 for violating pure food law, denied;  
James Jensen, one year for statutory  
offense, continued till June meeting;  
Robert Turner, four months in the  
county jail for petit larceny, denied;  
George Hubbell, one year for felony,  
denied; Thomas Freeman, two years  
for forgery, denied; Frank Hall, one  
year for attempted burglary, denied;  
C. M. Seybolt, two years for forgery,  
continued to May meeting; Charles Deakin,  
eighteen months for grand larceny, denied.

## Donaldson Withdraws Request.

For commutation of sentence—Henry  
Watson, ten years for burglary, con-  
tinued to May meeting; Walter Jones, three  
years for obstructing railway police, denied;  
Harvey Bass and William Reese, thirty  
and forty years, respectively, for murder in the second  
degree, continued to the April meeting.

The petitions for pardon of J. H.  
Winlow, serving time for a statutory  
offense, and Charles Murdoch, serving  
one year for forgery, were denied.

James Donaldson, convicted of grand  
larceny in the third district court of  
Salt Lake county for complicity in the  
McWhirter robbery and sentenced Jan-  
uary 29, 1909, to ten years in the  
state's prison, Saturday withdrew his  
application for commutation of sen-  
tence.

# YOUNG GUARDIANS OF HOUSE TOO DILIGENT

Six Boys Pay Penalty for Reck-  
less Manner in Which  
They Behaved.

The six boys who recently had such a  
good time taking care of houses for a  
well-known woman on the east side were  
up before the juvenile court Saturday  
for trial. The woman, whose husband  
was out of the city, was afraid to stay  
alone at night on account of burglars  
and accordingly hired two boys to stay  
at the house, while she went to a hotel.

The two boys invited four others in  
to stay with them and certainly had a  
fine time, as they ordered groceries and  
provisions and charged them to the owner  
of the house. The boys were taken into  
custody with that it is said, they stole  
a number of articles from the house, in-  
cluding a razor, neckties, gloves and slip-  
pers.

It is alleged also that they took some  
groceries out of the house and sold them  
to a groceryman for cash.

Five of the boys were placed on pro-  
bation and will have to report to court  
regularly. The other one was discharged,  
as he was serving time for a statutory  
offense. The boys found guilty of the  
charge will have to pay for the groceries  
and articles stolen. The boys range in  
age from 12 to 15 years.

## BEREAVED WIDOW BENEFITED.

Mrs. C. C. Henderson Receives Wel-  
come Aid Through the Unique  
Plan of a Local Concern.

Through the liberal policy adopted  
some time ago by a local furniture com-  
pany, whose slogan is "If the bread-  
winner meets with death, we mark the  
account paid," Mrs. C. C. Henderson  
of No. 571 South Main street, received  
yesterday a receipt for \$300 worth of  
furniture purchased from the I. X. L.  
Saloon Co. The company simply ful-  
filled a liberal promise to a customer  
whose husband met with death, throw-  
ing upon her the burden of supporting  
herself and a six-month-old child.

In these days of modern merchandis-  
ing, when all successful merchants are  
striving to surpass in giving the best  
service and the best value for the least  
money, the climax has surely been  
reached when a life insurance policy is  
given with each purchase. Especially  
is this true in the furniture line, where  
so many take advantage of the modern  
and convenient easy payment plan, thus  
enabling everyone to have comfortably  
furnished homes early in life, which  
they would not otherwise have until  
later years, and perhaps never, should  
they wait until they have saved enough  
money to pay cash. For, in addition  
to these many conveniences, the salaried  
man can rest with the assurance that  
in case he should be called by death,  
anytime, that his wife will then not  
be burdened with a furniture bill. The  
highest step has surely been reached  
in showing the appreciation of public  
patronage.

Mrs. Henderson is not the first to be  
benefited by this most liberal plan, but  
she is none the less appreciative of the  
kindness shown her, and when the bil-  
lible piece of paper was handed to her  
it gave her new courage to fight the  
battle of life.

# SEVENTY-FIVE THOUSAND DOLLARS NAMED IN VERDICT IN EAST JORDAN CASE.

CITY WILL TAKE APPEAL  
TO THE SUPREME COURT

Attorney Contends That Im-  
provement Would Enhance  
Property Value.

For the privilege of enlarging and ex-  
tending the East Jordan canal for the  
purpose of increasing its capacity, Salt  
Lake City was awarded \$75,000 as  
damages for the condemnation of the  
land owned by the Jordan Irrigation com-  
pany, which was brought by the city against the canal  
company about a year ago, on Saturday  
returned its verdict in Judge Ritchie's  
court in favor of the company for the  
amount stated.

The necessity for the condemnation was  
traced before the court some time ago,  
and it was decided that the city was  
entitled to condemn. A jury was then  
secured to hear the evidence as to the  
damages sustained by the company be-  
cause of the condemnation. The case  
was submitted to the jury Friday even-  
ing, and the jury returned shortly after  
noon on Saturday.

The intention of the city was to enlarge  
the canal so that all of the city water  
from the Jordan river and Lake carried  
through it and exchanged with farmers  
for a supply of water from the canyon  
streams for use in the city water sys-  
tem. By enlarging the canal a greater  
volume of water could be carried in it  
and by exchange the city would secure  
a supply of water for use in the city.

It was found by the jury that the work  
would destroy the value of the canal  
for the purpose of the Jordan Irrigation  
company, and that the right-of-way be-  
longing to the company would be in-  
creased in the sum of \$75,000 addi-  
tional.

The city attorney contended that the  
city should be allowed to take the canal  
to be done by the city, but, on the con-  
trary, the value of the property would be  
greatly increased.

An appeal was taken by the city to  
the supreme court and the case will  
not be finally settled for some time to  
come.

## For New Temple.

T. W. Chaburn presided at the ses-  
sion. One of the principal discussions  
during the forenoon was that this dis-  
trict needed a temple of worship. It  
was pointed out that just now the  
church members were without a suitable  
place to hold their services, and are  
compelled to use quarters not suited  
wholly to their services. Several en-  
thusiastic addresses were made along  
these lines, and before the meeting ad-  
journed for luncheon it was the con-  
sensus of opinion that a church should  
be established here.

Steps were taken immediately for the  
drawing up of a communication, which  
will be presented at the annual confer-  
ence, when it is expected that some-  
thing definite will be decided upon.

At the afternoon session the bishops'  
agents made their reports, which were  
accepted. The auditing committee re-  
ported favorably in regard to the finan-  
cial condition of the organization.

## Officers Are Chosen.

Officers for the Salt Lake branch  
were then elected, as follows: T. W.  
Chaburn, president; John Hall, vice  
president; G. J. S. Abels, secretary and  
treasurer.

Saturday evening a social was held  
at the headquarters at which all the  
branches were well represented.

At the two sessions Sunday there will  
be preaching, and a sacrament and  
prayer meeting will be held. L. G.  
Holloway of Provo and H. N. Hansen  
will supply the sermons.

At the headquarters Saturday, com-  
plimentary remarks were showered upon  
those in charge, for the acceptable man-  
ner in which the conference has been  
conducted, and the manner in which the  
individual members have been accorded  
treatment.

# TRACY DRISKELL SENT TO PRISON FOR YEAR

Will Join Brother in Peniten-  
tiary for Attempting to  
Aid in Escape.

Tracy Driskell appeared before Judge  
Lewis of the district court Saturday and  
entered a plea of guilty to the charge of  
attempting to aid a prisoner to escape  
from the county jail last Saturday and  
was sentenced to one year in the state  
prison.

Driskell and Richard Head passed five  
steel back-saws into the jail for the use  
of L. E. Driskell, a brother of Tracy  
Driskell, who was planning his escape.  
L. E. Driskell is held upon the charge  
of murdering Special Policeman C. C.  
Riley last fall.

Two men were discovered in Driskell's  
cell at the county jail, and after their  
discovery he attempted to commit sui-  
cide. Since then he has been
